THE MEMBANTU PROJECT

DID YOU KNOW....

Every camp supports a great cause...

YOUR CAUSE:

To teach, extend and challenge your students.

OUR CAUSE:

To provide education and adventure experiences for young people and to be a support to the Membantu Development Charitable Fund.

The Membantu (Indonesian word for 'helping') Development Fund assists in a range of projects to improve the welfare of children in Bali, including the provision of education, food security, water supply, clothing and building projects. The Fund assists partner organisations including the Widhya Asih Foundation. A significant number of our staff sponsor children through the Widhya Asih Foundation. Local school students hold an annual fun run to raise funds. The run, called the Run 4 Membantu, usually raises around $30,000. If you have an interest to help us make a difference, you may wish to personally contribute by sponsoring a child. Our Centre creates fun, adventure and camaraderie. Enjoy your stay!

Every camp that is booked at the Coffs Coast Adventure Centre helps to improve the welfare of underprivileged children in Bali.

Eat

At Coffs Coast Adventure Centre, we make catering easy, stress-free, and delicious! Our in-house chef whips up fresh, healthy meals that every student (and teacher!) will love — and yes, we cater to all dietary needs, just give us a heads-up at least 2 weeks before you arrive.

Bringing a big group? No worries — we can **host conferences for up to 220 people and sleep 143 guests** comfortably on-site.

Heading off for a day trip or wrapping up camp? We'll pack your crew tasty lunches to go — just **remember to bring an esky** to keep them fresh and ready for adventure!

ALL MADE ONSITE BY OUR TEAM!

Meet your chef, Tim!

Tim is a highly experienced Chef, with over 30 years in the catering industry.
He is also a massive St. George Dragons Fan!

Tim's Experience:
"After spending 1992 in Europe, where I worked as a chef at the Bibury Court Hotel in Gloucestershire UK, I moved to Coffs Harbour where I worked as a chef at Pelican Beach Resort and the Bonville International Golf Resort.**"**

Play

Activities and Experiences that cater for every age and every curriculum! With a huge selection of onsite and offsite activities and experiences, the Coffs Coast Adventure Centre can create a program specifically for your students needs and your teaching objectives. Part of the initial enquiry, the bookings team will ask what you want to achieve with your camp and they will put together a tailored program that will help achieve your goals! It's all about working together.

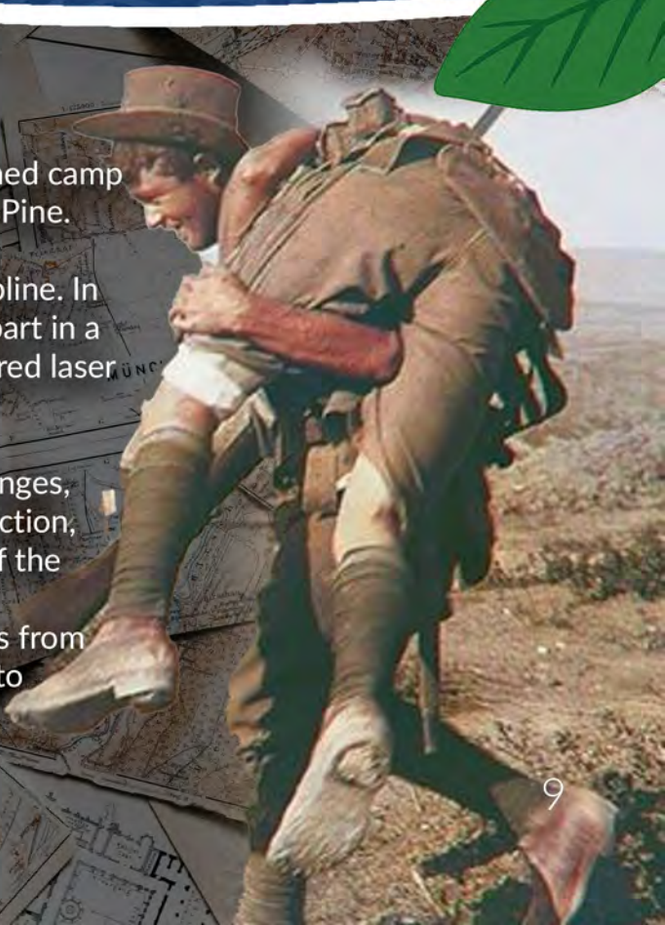
ANZAC CHALLENGE PROGRAM

RESILIENCE TEAMWORK MATESHIP

A 3-day, 2-night military-themed camp inspired by the Battle of Lone Pine. Designed to build resilience, teamwork, courage, and discipline. In this challenge, students take part in a live-action mission using infrared laser tag.

They'll face progressive challenges, learn through failure and reflection, and be constantly reminded of the values of character and strength-drawing on principles from the Rock and Water Program to develop true inner resilience.



Camping.

Turning School Camps into Outdoor Camping Adventures.

The Coffs Coast Adventure Centre is now offering camping-style accommodation, giving students the chance to experience the outdoors in a whole new way. Picture a star-filled sky, a glowing campfire, marshmallows and stories shared under the moonlight, or even your favourite chill playlist. Bring your tent or buy one of ours! Choose between catered, self-serve, or fully self-catered options! It's the perfect way to combine adventure, fun and the great outdoors! Camping doesn't mean you miss out on all of our amazing activites either! Contact us to find out how we can build your activity program with the camping accommodation!

Ranger - Guided Educational Programs

NPWS

Guided School Excursions

Designed to meet the learning needs of years K -12, our quality assured educational programs cover nature conservation, biodiversity, environmental and ecological values, climate change impacts, fire in the landscape, history, rainforests and Aboriginal Cultural content areas.

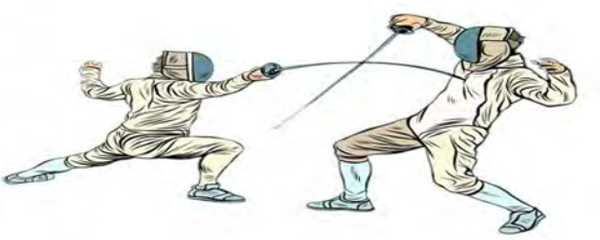
Aboriginal Cultural Programs:
These popular programs are run by Gumbaynggirr Rangers for authentic cultural learning. In the beautiful Bongil Bongil National Park, students learn about traditional **Bushtucker and Medicine.** The **Giidany Mirlarl** activity held at Muttonbird Island Nature Reserve is about sharing the Dreamtime stories of this special site. Or come in the summer months for a night adventure with **Muttonbirds by Moonlight,** when thousands of Wedge-tailed Shearwaters return back to the island to breed.

Gondwana Rainforests Programs:
We offer a variety of Stage specific Ranger-guided rainforest walks in Dorrigo National Park, with students engaging with hands on activities, utilising geographical tools and practicing inquiry skills. **'Sensing the Rainforest'** meets the younger students with interactive activities and games. **'Venture to the falls'** extends the students to explore the ancient origins of the 'living fossils' of this Gondwanan rainforest.

For all bookings or further information, contact the Coffs Coast Adventure Centre or visit nswparks.info

Fencing...

With a professional coach students are offered a unique experience to learn the basics of modern fencing in a fun and safe environment.

Qualified coach NSW Fencing Association and Australian Martial Arts Industry


Each fencing session ends with crazy, fun sword games with rubber swords. A huge hit with all the kids and teachers alike.
